Frontend Developer | React.js | JavaScript | Responsive UI Development

PROFESSIONAL SUMMARY

Frontend Developer with 3 years of experience building scalable, responsive web applications using React.js, Redux, and TanStack Query. Skilled in data fetching optimization, UI/UX improvements, and Agile collaboration for product-based development. Proven ability to deliver clean, maintainable, and high-performance code.

TECHNICAL SKILLS

- Languages: JavaScript (ES6+), HTML5, CSS3
- Frameworks/Libraries: React.js, Redux, Next.js, TanStack Query
- Backend: Node.js, RESTful APIs
- Database: MongoDB
- Tools: Git, VS Code, Chrome DevTools, Figma

PROFESSIONAL EXPERIENCE

Frontend Developer

Akitra | Jan 2022 – Present

- Developed and maintained responsive React.js applications with Redux and TanStack Query for efficient data fetching and caching, improving user experience and app performance.
- Collaborated with designers and product managers to implement modern UI/UX aligned with business goals.
- Integrated RESTful APIs and optimized frontend performance across devices and browsers.
- Conducted code reviews, ensuring maintainability and quality in an Agile environment.
- Mentored junior developers and contributed to sprint planning and feature delivery.

Software Intern — Frontend Developer

Akitra | Jan 2022 – Dec 2022

- Assisted in debugging, testing, and frontend enhancement tasks.
- Created automated test scripts to reduce testing time by 30%.
- Supported usability and regression testing on multiple browsers and devices.

PROJECTS

E-commerce Web App

- Developed a fully responsive platform with React.js and Redux.
- Used TanStack Query for optimized data fetching and caching from backend MongoDB.
- Integrated Stripe API for secure payments and implemented user authentication and real-time cart management.

Task Manager Dashboard

- Designed a task management dashboard with Node.js backend.
- Integrated login/authentication and real-time data updates to enhance productivity features.

Portfolio Website

- Created a personal portfolio with React and CSS, deployed via GitHub Pages.

CERTIFICATIONS

- Meta Front-End Developer Specialization — Coursera (2024)

EDUCATION

- MCA, Birla Institute of Applied Sciences, Nainital (2021–2023), 67%
- BCA, Kumaun University, Nainital (2018–2021), 65%
